Profile Summary

I am a third-year Information Technology student with a strong foundation in Python programming. Proficient in web designing using HTML, CSS, and Figma for UI/UX prototyping. Basic knowledge of JavaScript for creating dynamic and interactive web pages. Familiar with version control using Git for efficient code management.

- Hands-on experience in SQL for database handling and backend integration.
- Capable of developing user-friendly interfaces and responsive layouts.
- Passionate about learning new technologies and improving practical skills.
- Eager to work on innovative projects and contribute to collaborative environments.

Technical Skills

Programming Skills: Python, SQL, JavaScript
Web Development: HTML, CSS
Cloud & Development Tools: Git, PostgreSQL
Web Designing: Figma
Other: VS code, Stream lit, Pandas

Projects

TODO-LIST | To-Do List Application

[GitHub](#)

- Developed a TO-DO-List application with an interactive and user-friendly GUI.
- Implemented core functionalities like adding, deleting, and marking tasks as completed.
- Designed an organized interface for efficient daily task management.
- Focused on clean UI layout and smooth user experience and integrated error handling for duplicate entries.

Skills and Technologies Used:

- **Programming Languages:** Python, OpenCV
- **Libraries/Frameworks:** Tkinter, Stream lit
- **Tools/Platforms:** Jupiter Notebook, SQLite for database
- **Design:** Figma

Mini Projects

HairStyle Website | Hair Recommendation of HairStyle

- Designed and developed a static hairstyle website using HTML and CSS.
- Created multiple web pages showcasing different hairstyle categories and styles.
- Focused on a clean, modern, and responsive layout for a better user experience.
- Incorporated navigation bars, image galleries, and styled content sections.
- Ensured cross-device compatibility with responsive design techniques.

Skills and Technologies Used:

- **Programming Languages:** HTML CSS
- **Web Designing Principles and Responsive, Flexbox/Grid**

Education

Bachelor of Technology | Information Technology 2022 – Present

Sri Venkateswara College of Engineering and Technology, Chittoor, Andhra Pradesh
Graduation Year: 2026

Higher Secondary Education | Science 2022 - 2026

Sri Chaitanya Junior College
Board of Intermediate Education, Andhra Pradesh
